Sign Up Today For The... Summer Reading Program

Now through September 30th, any Young Bucks member who reads 10 books or more will receive a one-time \$10 deposit from the credit union.

Simply read your books and fill out the attached form (don't forget to have your parents sign it!) and drop it off at your local branch by September 30th. You can also pick up a form at your local branch or print one online at www.svfcume.com.

Complete two Summer Reading forms, and a \$10 donation will be made in your name to the Maine Credit Unions' Ending Hunger Campaign!

Happy Reading!

Start your own lemonade mega-stand! Buy ingredients, make recipes, and serve customers. You have 15 "days" to earn as much money as possible. It may sound easy, but there's more to lemonade than sugar, water and lemons!

Shredded Lettuce

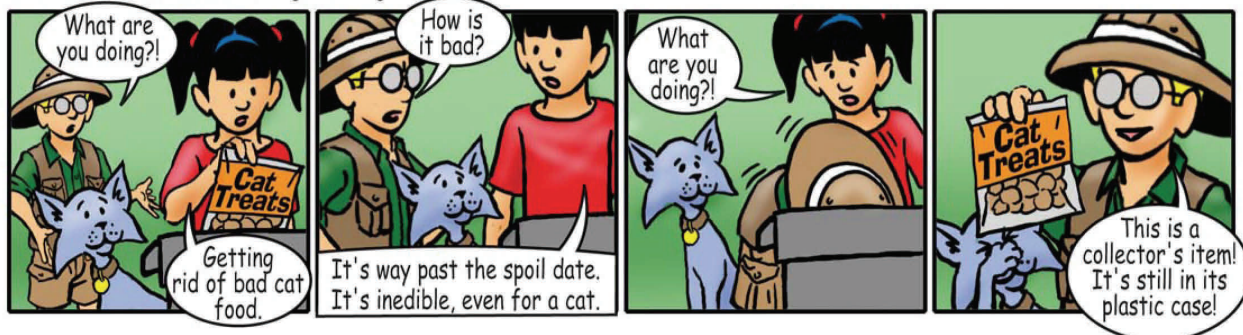

5-Spot game show host Hugh Googol stepped a little too close to his paper shredder and his wallet is a mess! Can you help him identify his super shredded bills?

Get a recipe and learn more:
