Sebasticook Valley FCU Annual Meeting

The 62nd Annual meeting of the Sebasticook Valley Federal Credit Union members, staff and Board of Directors will be held Wednesday April 8, 2015 at the Pittsfield branch.

As a member you are part owner of the credit union. What happens to the organization is very important to you—and to the rest of the membership. At the annual meeting you have a chance to

learn how well the credit union is doing and you can meet with the credit union staff and other members. You'll also have a chance to ask questions or raise issues if you have any.

You will have an opportunity to elect fellow members to the Board of Directors who oversee the operation of the credit union. We welcome your comments and participation at this very important event!

New Office Building opens in Newport!

The new office building for the Newport Branch of SVFCU was officially opened to members on February 17th. We are so excited to be able to serve our members from this state of the art facility. This new building offers more room, inside and out (much better parking!), is fully handicap accessible, and has many modern conveniences that allow us to better serve our members. These pictures show the waiting area and the lobby of the new building.
