# Valerie Sinclair to Retire after 18 Years of Service

In 1998 Valerie Sinclair joined the team at Peoples Regional Federal Credit Union as Vice President. She has seen many changes and has been a part of the largest growth, in membership as well as assets that this credit union has had in its 60 plus years of existence. She has overseen the name change to Sebasticook Valley FCU, an expansion at the Newport branch, a new building for the main branch in Pittsfield and then, of course, the new building just recently completed for the Newport branch. With all of these changes, one thing always remained the same with Val—her dedication to the members and the employees of the credit union. Known for her quick wit and infectious spirit, Val cared deeply for her members and helping them out in any way she could. This extended in all her relationships. Never one to complain, she always saw the silver lining in even the most challenging situations. Val has definitely left a lasting impression on the credit union and will certainly be missed, not only by her fellow co-workers, but by her many beloved members.

# ATV Raffle to Benefit Ending Hunger in Maine a Huge Success!

Since March the crew at SVFCU have been diligently selling tickets for a chance to win a 2015 CAN-AM Outlander Max ATV. On Saturday, June 20th, the winning ticket was drawn—Angela Baker from Pittsfield was the big winner! On Monday, she and her two boys picked up the ATV on Monday and were so excited. We were able to raise over \$4,000! All proceeds go to The Maine Credit Union's Campaign for Ending Hunger. Thank you to everyone that bought raffle tickets.
